International Women's Day of Prayer | <https://women.adventist.org/>

The International Woman's Day of Prayer provides an opportunity for women to learn about each other and prayer for one another. It is a time to reunite with God and one another to strengthen spiritual bonds. Prayers for women everywhere create a spiritual network of empathy and understanding between Adventist women. Thousands of women (and men) gather to pray on this day. Although the essential purpose of the day is for prayer, the day can also provide women with an opportunity to strengthen their ties with other Christian women as they pray together.

WELCOME to the Victoria Filipino-Canadian Seventh-day Adventist Church! We wish everyone a special Sabbath with abundant blessings! Turn your eyes upon Jesus, open your heart and you will be lifted heavenward toward love and peace and unity with all! The Lord's mercies are new every morning, his grace is sufficient, and his compassion never fails! God is love! He loves endlessly and unconditionally! **You are welcome here!**

Seventh-day Adventists accept the Bible as the only source of our beliefs. We consider our movement to be the result of the Protestant conviction Sola Scriptura—the Bible as the only standard of faith and practice for Christians. Jesus left His followers with an epic mission: tell the world of His love and His promise to return. We love people the way He loves them.
