One Victorious Remnant | Adventist Review | <https://adventistreview.org/>

In the Bible, God has always preserved a remnant through whom He fulfills His plans for the human race. But we also find what could be called a pattern of growth and rebellion. In Revelation God's remnant people are under attack from the outside and threatened with extinction, but God and the Lamb preserve them (Rev. 13:16-14:1). The whole world is deceived and led into rebellion and apostasy, but not the remnant (Rev. 13:8).

Meets every Sabbath at

877 North Park Street, Victoria, BC

Seventh-day Adventists accept the Bible as the only source of our beliefs. We consider our movement to be the result of the Protestant conviction Sola Scriptura—the Bible as the only standard of faith and practice for Christians. Jesus left His followers with an epic mission: tell the world of His love and His promise to return. We love people the way He loves them.
