## The Media and the Message | <https://adventistmessenger.ca/>

In Jesus' incarnation we saw that the message and the media are interconnected, because Jesus was the Word, and the Word became flesh. Canadian philosopher and communication theorist Marshall McLuhan coined the expression "The medium is the message." For McLuhan, it was not only that message and media are interdependent, but each

different medium makes an impact on how the receiver relates to it.

**Meets every Sabbath at**

**877 North Park Street, Victoria, BC**

Seventh-day Adventists accept the Bible as the only source of our beliefs. We consider our movement to be the result of the Protestant conviction Sola Scriptura—the Bible as the only standard of faith and practice for Christians. Jesus left His followers with an epic mission: tell the world of His love and His promise to return. We love people the way He loves them.
