The Transparency of God | *Adventist Review*

While everything God does is right and righteous, if others do not perceive it as right God loses credibility. In order to ultimately win this war against sin, Satan, and evil, God must not only do what is just but also be seen and understood as doing what is just from beginning to end. With God, it is the means that justify the end, not the other way around. Throughout Scripture we see God demonstrating mercy intertwined with perfect justice from beginning to end. He is transparent in the process of judgment, wanting everyone to see that His judgments are not arbitrary, but fair and true (Rev. 16:7)

WELCOME to the Victoria Filipino-Canadian Seventh-day Adventist Church!
We wish everyone a special Sabbath with abundant blessings! Turn your eyes upon Jesus, open your heart and you will be lifted heavenward toward love and peace and unity with all! The Lord's mercies are new every morning, his grace is sufficient, and his compassion never fails! God is love! He loves endlessly and unconditionally! **You are welcome here!**

Drop Box for the Response Form is at the door.

Seventh-day Adventists accept the Bible as the only source of our beliefs. We consider our movement to be the result of the Protestant conviction *Sola Scriptura*—the Bible as the only standard of faith and practice for Christians. Jesus left His followers with an epic mission: tell the world of His love and His promise to return. We love people the way He loves them.
