Seventh-day Adventists accept the Bible as the only source of our beliefs. We consider our movement to be the result of the Protestant conviction Sola Scriptura—the Bible as the only standard of faith and practice for Christians. Jesus left His followers with an epic mission: tell the world of His love and His promise to return. We love people the way He loves them.

**A Message of Comfort and Sympathy to
Tumbler Ridge**

The Seventh-day Adventist Church in British Columbia and Yukon extends deep sympathy to the entire Tumbler Ridge community following the tragic events of February 10. We continue to pray for all who are grieving, for those who have been injured, and for the first responders and caregivers who are serving with courage and compassion.

The local Seventh-day Adventist Church is working alongside local authorities and community partners to make the Seventh-day Adventist Church in Tumbler Ridge available as a supportive trauma-counselling centre for the community. This space will offer a compassionate environment where individuals can receive listening support, prayer if desired, and connection to appropriate community and mental-health resources according to their needs. These services will be available to all at no cost, regardless of faith background.

“The Lord is close to the brokenhearted and saves those who are crushed in spirit.” – Psalm 34:18

Our hearts remain with the families affected and with the entire Tumbler Ridge community. May God grant comfort, strength, and hope in the days ahead.
